Award reflects company's consistently high level of customer service

Reupert Heating has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the consumer review service in 2013.

"Reupert Heating and Air Conditioning is very humbled to receive this award. Our dedication to our customers is unwavering. Our third generation business owners look forward to providing excellent customer service to our many loyal and potential customers."

"Only about 5 percent of the companies Reupert Heating & Air Conditioning competes with in the Tri-State Area are able to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a mark of consistently great customer service."

Angie's List Super Service Award 2013 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, have a fully complete profile, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Members can find the 2013 Super Service Award logo next to company names in search results on AngiesList.com.
