

Dear Mr. Reupert,

We had a service call for our AC on Monday, August 10th. We did not have our AC serviced last year and we knew we had to call Reupert.

Joey was the tech who came to our home. He was very polite & made sure to explain everything to us. Once Joey had completed his job, he came in & thanked us for being Reupert customers! A great touch!

We will call you next year!
