*Award reflects company's consistently high level of customer service*

Reupert Heating has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2014.

"Reupert Heating and Cooling is very humbled to receive this award. Our dedication to our customers is unwavering. Our third generation business owners look forward to providing excellent customer service to our many loyal and potential customers."

"Only about 5 percent of the companies Reupert Heating & Air Conditioning competes with in Greater Cincinnati Tri-State have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2014 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.
